

### **A Special Birthday**

Today is Lucy's birthday. Lucy and her mum are at home. Her mum gives her twenty dollars. She is excited. She wants to go to Lily Fast Food Shop. She wants to buy a slice of pizza and a box of chicken wings because she likes to eat them very much. She thinks the food is delicious.

When she is going to Lily Fast Food Shop, she sees a beggar on the street. She thinks the beggar is very poor and hungry. The beggar is very sad because he has no money to buy clothes, house and food. In the end, Lucy buys a hamburger and a bottle of water to the beggar. She feels jolly because she likes helping people. The beggar say, 'Thank you very much. Thank you for giving food and drinks to me.' He feels very thankful. Today is a special birthday because she can help others.
