

P.4 Hong Yat Sum Evelyn

Cecilia is my friend. She is very pretty and she is nine years old. She is shorter than me and older than me. Her hair is longer than mine. She always plays with me and she is funny and nice. We like to play games like tag and hide-and-seek. We have so much fun together! Cecilia loves to eat cakes, especially chocolate and strawberry ones, and she sometimes shares her treats with me. Cecilia is creative. She loves to draw and often shows me her colourful pictures. I like her very much. We are good friends!
