

# My best classmate

Lau Chung Yan Rosina

Isabelle is my best classmate. She is short. She has long hair. Her mouth is small. She sits behind me.

I like her because she is polite. She doesn't play tricks on me. She is nice too. She always plays with me and talks to me.

Her favourite subject is Visual Arts. She is good at drawing. In her free time, she reads books.

I am glad that Isabelle is my classmate.
