A Must-Visit Destination for Your UK Friend

My favourite place in Hong Kong is Disneyland. It is on Lantau Island. I have been there many times. My wonderful parents went there with me. I went there by MTR. It is very convenient. I rode on the amazing rides and took pictures with the friendly cartoon characters. I bought many fantastic souvenirs and watched the amazing fireworks too. I thought the visit was marvellous. I want to bring my friend to Hong Kong Disneyland because there are so many nice things to do and we both like exciting rides.
