

Primary 5 - Li Xiyan Ceilia
A Must-Visit Destination for Your UK Friend

My favourite place in Hong Kong is Disneyland. It is a theme park on Lantau Island. I have been there once. My family went there with me. We went to Disneyland by taxi. I like Tomorrow Land most. I also rode on the roller coaster in Tomorrow Land. I felt excited about it. I think my friend will like it too. I hope my friend will play delightedly in Disneyland.
