

Primary 5 - Pui Ka Ying Ying  
When I was a baby

This is a picture of me, Ying Pui. I was born on 10<sup>th</sup> October, 2014. When I was small, I was an adorable baby. Everyone loved me as I was little. I cried a lot. Sometimes I was very naughty and made my parents angry. I usually played with my toys in the living room. I always liked to play with my rubber ducks. I like babies because they are cute but I do not like them when they cry.
