Book 4A Task (U.2)

Same or different?

Hey guys, I am Hayden Wong and I'm gonna show you my best friend Mike. I am older than him and taller than him. My eyes are bigger than his. We both are wearing glasses. When we are at class recess, we will play all the time and share our snacks. He does not have many hobbies. His hobbies are just drawing and watching YouTube videos. Well, I have more hobbies than him. My hobbies are playing basketball, football, drawing, jogging and running. This is why Mike is my best friend.
