There is not enough space for learning. They have neither books nor desks. Some receive an education at the time far beyond their appropriated age. They are miserable.

We can donate either old books or desks to them.

They have a poor living condition. They have neither beds nor tables. They live in gubby huts. Their home is very dirty.

We can either donate money or sell flags to raise money for charity.

Scarcity of food

There is not enough food. They face hunger everyday. They feel disappointed.

We can either donate food to food bank or run a second-hand stall to raise money for charity.

Apart from the lack of resources, there is difficulty in obtaining access to fresh water. Clean water become a luxury for them since they don't have enough clean water.
