MY FATHER

My father is tall

Protecting me like a wall.

His tummy is big

Big like a pig.

When he is free

He plays with me.

He teaches me homework.

And I help him with housework.

He shows me that love.

Comes from God above.

This is my shoes. I

I run with them

a leopard and I move agility as a rabbit.
I walk with them and I jump on
the sands. Do you want to wear my
shoes? A pair of magic shoes.

My Pencil

I like my pencil very much.

We always keep in touch.

It is blue and has patterns.

Writing with it is all it matters,

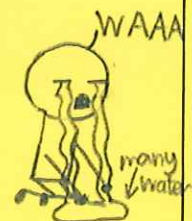

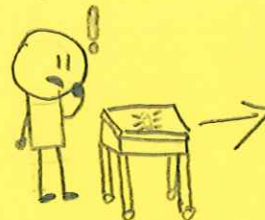

I use this pencil everyday.

And I use it everyway.

If I lose it accidentally,

I will cry sadly.

It has been with me for years,

so I don't want it ^{disappears} dissapears.

I will take good care of it,
until it finally does not write.
